John -

I sent you the e-mail from Cole. The date should read 2/15 not 2/19. I checked and 2/15 is when he sent it and I then sent it folks internally on 2/19.

Subject: footnote 38 in EPA's Wyoming Regional Haze Re-proposed rule

Hi Laurel

In footnote 38 of EPA's re-proposed regional haze ruling for Wyoming 78 FR 34760 it states that EPA included the following document in the docket:

(see document titled 2/19/2013 Email from Cole Anderson, Wyoming DEQ, to Laurel Dygowski, EPA Region 8).

I have been unable to find this document in the docket. Could you either send it to me or identify where it is in the docket? Thank you.
